Foreign Influence Policy

- NSF RCR training
- Malign foreign talent program members

(Beginning August 9, 2024, DoD will be prohibited from providing funds to an institution (1) in which a covered individual is participating in a malign foreign talent recruitment program, or (2) that does not have a policy in place addressing malign foreign talent programs).
  - NU currently working on updating our COI policy.

- ByteDance- FAR 52.204-27 (July 2023)
  - SR managing individually now with policy near completion
NIH Notice: Foreign Subaward Lab Notebooks

• **NOT-OD-23-182** — NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements

Updates previous guidance to indicate subaward agreements must stipulate that foreign subrecipients will provide to the primary recipient with a frequency of no less than once per year, access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress report in alignment with the timing requirements for Research Performance Progress Report submission. The notice also clarifies that by “access to,” it is understood that such access may be entirely electronic.

• See the following related resources:

1. [Open Mike Blog post](#) with video addressing community feedback
2. New [Subaward website](#) provides key elements and sample language for subaward agreements

- **AMR: Award Modif Request**
- **MOD: Award Modification**

*Agreements*
Process Flow

• Proposal created in CERES by departmental administrators
• Proposal routed to SR (PAA) in CERES
• Proposal reviewed by PAA and submitted to sponsor per sponsor guidelines

**Proposals are to arrive in SR 5 business days prior to the sponsor deadline. Proposals are to be complete & ready to submit to sponsor. Proposals are reviewed in a “First In First Out (FIFO)” method.
Process Flow (cont.)

• Awards are received in SR and reviewed by the PAA team
• Terms/Conditions are negotiated if necessary
• Awards are routed to the AMA team
Process Flow (cont.)

- AMA reviews award budgets and contacts the PI/departmental administrators for any necessary changes based on Notice of Award
- Chartstrings are established and notifications sent to ASRSP
Process Flow (cont.)

• Award Modification Requests (AMR’s) are submitted via CERES by the departmental administrator.
  – Reviewed by PAA for allowability
  – Routed to AMA for budget adjustment
  – Routed to Subawards if applicable

**AMR’s are processed FIFO and any edit to the request after submission will cause the AMR to move back in the queue.**
Process Flow (cont.)

• Awards that contain a subaward budget will be routed to the Subaward team in CERES.

• **SR will initiate an agreement record** in CERES that routes to the department for information to be completed.

• Subawards are prepared and sent to the sub site for signature then fully executed by the Subaward team.
Process Flow (cont.)

SECTION F: GRANTS DEPARTMENT ROLES

Office for Sponsored Research (OSR) data contains confidential information. The technical, programmatic, and budgetary details of an individual proposal are confidential and the contents of a proposal may not be disclosed without the prior written approval of the proposal’s PI. Any authorized university user may otherwise access proposal data elements such as the proposal title, amount requested, and period of performance without obtaining the PI’s approval. Aggregate proposal data may be reported in accordance with the restrictions set forth in the remainder of this Agreement. Researcher social security numbers and employee IDs are confidential and may only be disclosed to units who are administering the proposal or award.

By signing this request you agree to the following provisions: You will not provide others with unlimited access to OSR data without prior approval of OSR. You will not seek personal benefit or permit others to benefit personally from information contained in any OSR dataset. You will not divulge the contents of any record or report to any person except in the conduct of your work assignment and in accordance with University and departmental policies. You acknowledge OSR as the data collection source when making any permitted disclosures of OSR data. You understand that OSR provides all data without warranty. You are obligated to inform OSR of any problems detected in the OSR data as soon as possible. You will not include or cause to be included in any record or report a false, inaccurate, or misleading entry. You will not divulge IDs or passwords to anyone.

### REQUIRED APPROVALS

Financial system users at all levels of the organization are charged with responsibility for ensuring that prescribed guidelines and policies are followed when conducting business at the University. The policies outlined in Standards for Business Conduct include confidentiality of University financial data, proper accounting and use of University assets, in addition to policies on purchasing, travel and entertainment, and other business activities. See [http://policy.northwestern.edu/standards/business-conduct.pdf](http://policy.northwestern.edu/standards/business-conduct.pdf).

By submitting this request, the user and department head affirm that they are aware of and will comply with University business guidelines and policies referenced in the Standards for Business Conduct and all other applicable policies. The user also affirms compliance with all NUIT policies. Access may be changed or revoked at any time. NUIT policies are available for review at [http://www.it.northwestern.edu/policies](http://www.it.northwestern.edu/policies).

Dean's office signature authorizes all access including cross department security.
